

UTSS has created a brief slideshow about the crisis people with albinism are facing in Tanzania. It is the length of 1 song and is called Crimes of Colour – Albinism in Africa.

NOTE: Since the creation of this video, many more attacks have occurred in Tanzania and 24 other African countries. For an update on the number of attacks go to the RESOURCES page of our website at www.underthesamesun.com and click on:

- Attacks of PWA – 1 page
- Attacks of PWA – extended version

The link below will allow you to view and / or download the slideshow file to your computer at:
